Hi John,
We will keep this mind. Still reviewing the decision.

Hi Tim,

Regarding the story below, which I'm sure you're seen, needless to say I was disappointed by Judge Woodlock's order to reopen gun shops and I'm sure the administration was as well. I haven't seen a copy of the order yet, but it appears Woodlock is saying Massachusetts failed to articulate any reason the gun shops needed to be included in the closure of businesses. Obviously there are many compelling reasons. I'm wondering whether there will be an opportunity to seek a stay of the order to allow the State to submit its reasons? Stop Handgun Violence would like to support the Governor in his effort to keep gun stores deemed non-essential. Do you expect the Governor will appeal this decision and is

there anything we can do to be supportive other than writing an amicus brief on such appeal? Please advise once the Governor decides what to do on this matter.

Thanks, as always for your and the Governor's consideration!

Regards, John

BREAKING NEWS ALERT

A federal judge said Thursday he will issue an order allowing gun shops in Massachusetts to reopen, ruling that Governor Charlie Baker's decision to shutter them along with thousands of other "non-essential" businesses infringed on the Second Amendment rights of those seeking to buy a firearm.

"There's no justification here," US District Judge Douglas P. Woodlock said during a two-hour virtual hearing, arguing he doesn't see a fit "between the goals of the emergency declared by the Commonwealth and the burdening of the constitutional rights of the defendants in this narrow area."

Mike,

We received notice the other day that since ranges are open, all training classes will need to be held in person while following restrictions on face coverings and social distancing.

Do you think it is possible to get them to reconsider and continue to allow remote classes via zoom. Most people including the instructor would feel more comfortable. It doesn't make sense to force in person classes when remote classes are working. The Governor is asking people work remote when possible, this seems to go against the spirit of his request. See Below.

Thank You,
Paul Joncas

Subject: BFS / LEOSA Training Update

Good Evening,

Based upon the Governor's newest orders concerning the Covid-19 pandemic, BFS and LEOSA training may resume in person, and all shooting ranges may open, as of May 18, 2020. All existing requirements regarding BFS/LEOSA and shooting ranges are in effect.

Furthermore, pursuant to the Governor's Orders, all social distancing and face covering guidelines must be adhered to for each BFS and LEOSA course and for all activity at any shooting range until further notice.

Please be advised that the Colonel's authorization for the virtual online Basic Firearm Safety Program expires close of business on Saturday, May 23, 2020.

Dear Governor Baker,

Dear Governor Baker

Thank you for keeping gun stores closed during the COVID-19 pandemic.

Allowing gun stores to reopen during this time would threaten public health and safety.

It would increase risks of death from domestic violence homicides, suicides, and unintentional shootings.

I heartily support your decision to keep gun stores closed.

Thank you!

Sincerely,
Sarah McKee

Dear Governor Baker,

Dear Governor Baker

Thank you for all the work you are doing during the Covid-19 pandemic. Keeping gun stores closed during this time is an important part of that work. Allowing gun stores to reopen during this time is a threat to public health and safety with increased risk of death from domestic violence homicides, suicides, and unintentional shootings. We support your decision to keep gun stores closed.

Thanks also for your emphasis on testing and contact tracing. As you know this is the key aspect that will allow us to return to a semblance of normalcy while we buy time for treatments and a vaccine.

I know how difficult this has been for state governments, but your work has been brilliant, and I want you to know it has not gone unnoticed. Stay well.

Thank you.

Sincerely,
Stephen Shaw

TO: Governor Charles Baker

It is appropriate to celebrate Patriot's Day in the Commonwealth by reminding our elected officials of their sworn duty to protect and defend our civil rights. This is especially critical in times during great challenges like the one we face now.

As a citizen of the Commonwealth and a strong supporter of the Constitution, I am calling on you to act appropriately by protecting our Second Amendment civil rights.

Our community should not be discriminated against at any time. Work with our Second Amendment community to establish the following:

- Issue an emergency order extending all firearm related licenses, including retailers, for 180 days past the end of the COVID-19 crisis, or until they can be processed.
- Re-classify firearm retailers and shooting ranges as "essential" entities. These places are essential to exercising our Second Amendment civil rights. Work with our community to establish health related guidelines.
- Order the State Police to reactivate firearm safety training using the protocols necessary for safety. This is a state mandate for citizens attempting to exercise their civil rights. Shutting down certified training is shutting down access to a protected right.
- Require local firearm licensing authorities to establish safe practices to process new applications for firearm licenses.
- In general work with our community and cease actively working against us.

Signed: A Disenfranchised Citizen of the Commonwealth

Dear Gov. Charlie Baker,

PBS and the post office and the Kennedy center get Grant's and then fire their whole orchestra then you Baker claim that guns arent essential so they dont get help or get to stay open... what is wrong with you people it's a enumerated rite in our constitution there as no suspension of rights! get back to work assholes

Sincerely,

Mr. Daniel Vaillancourt
